**Motion for the Extension of Time on Docket 85 ORDER**

**Page 1 of 2**

As per **Attachment 1**, being the letter e-mailed to Stephanie Galbraith Moore of the State of Alaska's AG's Office, I left a message for Ms. Moore on July 16, 2007 and spoke to her on the telephone on July 17, 2007. I was unable to follow up with preliminary issues do to jumping from a 5 foot window and landing on my hip replacement leg with the result of the hip replacement being expelled from the artificial socket and then returning to the socket.

I have been bed-ridden for several days with Ibuprofen and water to survive my ill-advised attempt at youth long past evidently.

So, I am motioning this Court for a extension until July 27, 2007 for Ms. Moore and myself to agree or probably agree to disagree on the issues. I have attached some in the **Attachment 1**.

My Hand,

A handwritten signature in black ink, appearing to read "Ralph Kermit Winterrowd", with a stylized flourish at the end.
